

AmCham Poland 30 Under 30 Program

AmCham Poland's 30 Under 30 Program is designed to connect young professionals with leaders from the AmCham Poland community who provide guidance and mentorship based on their own career and life experience. The year-long program now runs from September to June, where it exposes the young participants to meet business leaders from within the AmCham community and other Polish government and business leaders.

Objectives:

- Facilitate networks and relationships between the experienced leaders of today and the motivated and visionary minds of tomorrow
- Provide mentees with opportunities to set development goals, improve skill sets and learn from experienced members from the AmCham community
- Contribute to the development of a knowledgeable and skilled business community in Poland
- Provide value and learning pathways for members of AmCham Poland while promoting our principles within the business community

The Mentoring Program may be comprised of monthly workshops led by Mentors. Topics include:

- Leadership
- Personal Networks
- Project Management and Budgeting
- Diplomacy
- Change Management
- Corporate Social Responsibility
- Effective Communication & Media
- Financial Markets

....and many more up-to-date topics.

Mentee Benefits:

- Development of knowledge, competencies, skills, goal setting, and professional experience
- Increased potential for career mobility and promotion
- A supportive environment in which feedback can be gained and development opportunities can be evaluated
- Networking opportunities
- Recognition, motivation, insight, and confidence
- Invitation to AmCham Business Mixers

Mentor Benefits:

- Opportunities to test new ideas and gain further knowledge
- Promoting their company and its values
- Renewed enthusiasm for their standing as an experienced and driven business person
- Challenging discussions with people who have a fresh perspective
- Opportunities to reflect upon and articulate expectations of roles and responsibilities
- Improved the ability to share experience, knowledge, competencies, and skills
- Positive contribution to the professional development of young, driven individuals
- Networking opportunities to build relationships with young professionals

Criteria for Application:

- Nomination by an AmCham Member Company – each Member Company can nominate up to 3 Candidates.
- Employment by an AmCham member Company
- Minimum 3 years of professional experience and under 30 years of age on September 1, 2021
- Fluent in Polish and English

Submission Documents:

- Letter of recommendation from an AmCham Member Company
- CV
- Short essay of interest
- Commitment to attend the sessions and actively participate in the program.
