Partnership Proposal

We invite you to partner with us in the AmCham Diner at the three economic events in Poland.

AmCham Diner is a flagship initiative of the American Chamber of Commerce in Poland, organized in partnership with our member companies. At the Diner, we discuss all the hot issues concerning the Polish and global economies, we organize meetings with a wide representation of stakeholders, and we recharge with a great cup of coffee. This project covers the most extensive scope of priority topics and is a catalyst in the dialogue between business and government.

AmCham Diner provides:

- Popular venue for networking among AmCham members and all events participants
- Platform for business and government dialogue,
- Exposure to national and international VIPs,
- Interviews, panels, and programs with leading representatives of government and business,
- Brand exposure with strategic logo placement.

AmCham Diner Partnership fee:

Katowice	35 000 PLN
Poznań	35 000 PLN
Karpacz	50 000 PLN

Partnership fee for all three events: 100 000 PLN;

Breakfast or Private Party at the Diner is an additional cost

We expect very high attendance at the AmCham Diner this year and hope to have many member companies as our partners.
